Consideration of Vehicle Prohibitions Humboldt Street and College Avenue

- Vehicle reduction tool – consistent with creating a more bike and pedestrian friendly street
- Potential impacts to neighboring streets
- Potential to reduce crashes due to left turn movements
- Potential reduction in the amount of cut through traffic in the neighborhood
- Potential impacts accessing School and Businesses
- Increased driving resulting in an increase in GHG

Partial Diversion Example

Consideration of Vehicle Prohibitions Humboldt Street and Pacific Avenue

- Vehicle reduction tool – consistent with creating a more bike and pedestrian friendly street
- Potential impacts to neighboring streets
- Potential reduction in the amount of cut through traffic in the neighborhood
- Potential impacts to emergency response time
- Increased driving resulting in an increase in GHG

PARTICIPATION GROUND RULES

- Raise hands to speak.
- Only one speaker at a time.
- All comments are to be treated fairly and with respect.
- Keep comments to Study Session topic.
- No side conversations as they can be disruptive to those attempting to follow the discussion.
