

Art Exhibition Application

Thank you for your interest in exhibiting your art work with the Santa Rosa Recreation and Parks Department. The exhibition schedule is considered in the Fall (October - November) for the upcoming year, however applications are accepted continually throughout the year. Due to the volume of requests we may not be able to schedule your exhibition within the next year. In that case, your application will be carried over to the following year to be considered for review. Your application will be reviewed and you will be called to discuss the possibility of scheduling an exhibition and the responsibilities of the Artist and the Recreation Department.

For inquires, contact Elaine Gutsch, Arts Specialist, at (707) 543-3279 or egutsch@srcity.org.
