Aerial Photos with street names

We have 2007 aerial photography for the southern half of the city and 2005 aerial photos for the northern half. Most schools and parks and shopping centers are labeled. Most of these maps are at a scale of 1" = 500' and the plot of central Santa Rosa uses a scale of 1" = 300'.

Indicate map requested: NW\_\_\_\_\_; NE\_\_\_\_\_; SE\_\_\_\_\_; SW\_\_\_\_\_

Or Central Santa Rosa\_\_\_\_\_ Cost = \$25.00 per map

Zoning Wall Map

The wall map panels in the Community Development lobby of Room 3 are for sale. Zoning changes and annexations are approved during the weekly City Council meetings. The maps are updated periodically so the information on the map may not be the most current. The City does not guarantee accuracy of the information on this map.

Scale 1" = 600' Panels are 42" wide and 104" long.

Indicate Panel requested: (top or bottom)\_\_\_\_\_ Cost = \$75.00 per panel

Original Plot of Zoning Map or City Limits and Annexation Map

The City does not guarantee accuracy of the information on this map.

Scale 1" = 1000' Size = 42" x 64" Cost = \$25.00

Parcel Book/Page Index Map

This map shows the assessor parcel book/page index over the entire City parcel base. These book/page boundaries and City parcels are constantly being changed. Therefore, the City does not guarantee the accuracy of the data shown on this map.

Size = 36" x 48" Cost = \$25.00
