RIDE YOUR BIKE

The Sonoma County Bicycle Coalition is providing **FREE BIKE VALET** at the FondoSonoma Festival, and the Finley Center is located just blocks off the Prince Greenway bike path. Parking at the venue will be limited, and we strongly encourage everyone to get in the spirit of the day and arrive by bike!

Several local bike shops are also participating in this effort by hosting **Fondo Shop Rides** directly from their stores. Check our website at www.levisgranfondo.com/gettingthere for details.

TAKE PUBLIC TRANSIT

The City of Santa Rosa is offering **FREE BUS SERVICE** on Routes 3 and 6 between the Downtown Transit Mall and the West Side Transfer Center—located right across the street from the Finley Center. And to sweeten the deal even further, they're providing **FREE GARAGE PARKING** on Saturday in the downtown parking structure at 555 First Street.

To get your free bus ride, present this brochure to the bus driver on Saturday, October 3rd for Route 3 or Route 6. For schedules: www.srcity.org/citybus.

IF YOU MUST DRIVE: WHERE TO PARK

It's likely that most of the parking at the Finley Center and Stony Point Business Park will be unavailable (in use by GranFondo cyclists and patrons of those businesses), and there is no street parking on Stony Point Road or West Ninth Street. See the map below for other parking locations near the venue.
