

PHANTOM GALLERY 535 7th Street, Santa Rosa

The **Phantom Gallery** is a project of the City of Santa Rosa's Recreation & Parks Department in an effort to revitalize the downtown, contribute to the Arts District and show alternative art in an alternative space. The Phantom Gallery occupies otherwise empty "for lease" spaces and provides artists the opportunity to exhibit. There are several ways to get involved, including becoming a member, submitting an exhibition proposal, volunteering, and sponsoring an exhibit or project.
