## **SONOMA AVENUE BICYCLE LANES IMPROVEMENTS PROJECT UPDATE**

### **Responses from Public Meetings:**

Thank you for attending one or both of the public meetings held by the Department of Public Works on Monday, July 30 and Tuesday, July 31, 2007 to obtain comments regarding a proposal to evaluate the possibility of installing bicycle lanes on Sonoma Avenue between Santa Rosa Avenue and Summerfield Road.

We indicated that we would make the responses available to those residents and property owners who attended the meetings. The responses can be viewed on the City's Department of Public Works webpage at this link: <http://ci.santa-rosa.ca.us/default.aspx?PagelId=129>. Individuals can also request hard copies of the responses.

### **Additional Data Collection and Alternatives:**

Staff collected additional on-street parking data and left turn data in response to some concerns that were identified by the residents and the school. Staff has prepared additional alternatives based on comments received from the residents, school, Bicycle and Pedestrian Advisory Board, cycling groups and Transit staff. These alternatives and the alternatives developed by W-Trans (consultant) will be presented at the meetings listed below in the project schedule.

### **Schedule:**

Listed below are some key dates for the project:
