

## Urinal Rebate Program Qualifying Models

The High-Efficiency Urinal Rebate Program is a program that pays up to \$450 per urinal replaced with a high- efficiency urinal that uses 1 pint of water per flush or a waterless urinal.

By participating in the High-Efficiency Urinal Rebate Program, your business will:

- Receive up to a \$450 rebate on qualifying urinal upgrades.
- Receive a free commercial water audit.
- Receive low-flow faucet aerators and showerheads (where applicable).
