

Water-Wise Gardening Workshops

A free series of residential gardening workshops focusing on the following topics:

FREE!

April 10 2012 - **Low Water-Use Plants:** Learn how to select and establish low water-use plants in your garden.

April 17, 2012 - **Irrigation Efficiency:** Learn how to determine the efficiency of your irrigation system, determine plant water needs, and develop irrigation schedules.

April 24, 2012 - **Drip Irrigation:** Learn how to install and maintain a drip system in your garden.

Sign up through the City of Santa Rosa Activity Guide at www.santarosarec.com or call (707) 543-3737.

Classes will be held at the City of Santa Rosa Transit Operations Building, 45 Stony Point Rd, Santa Rosa from 6 p.m. to 8 p.m.

For accessible information call the Water-Use Efficiency Hotline at (707) 543-3985.
