

# BUSINESS TAX CERTIFICATES

## General Information

Each of the incorporated cities in Sonoma County (Santa Rosa, Petaluma, Rohnert Park, Cotati, Sonoma, Sebastopol, Cloverdale, and Healdsburg) requires businesses doing business in their cities to pay a business tax. In Santa Rosa the tax is based on gross receipts earned and must be renewed at the end of each calendar year.

## Who is taxed?

Businesses that are either located in Santa Rosa or that are located out of Santa Rosa but generate receipts within the City limits are required by City Ordinance to pay a business tax to the City. Such businesses will then receive a Business Tax Certificate.

## How is the tax calculated?

The initial tax will be based on your estimate of gross receipts. Those businesses located outside of Santa Rosa should only use the gross receipts earned within the city limits of Santa Rosa to calculate their tax due. At the end of each year Revenue and Collections will send the necessary forms for renewal. The prepaid tax will then be adjusted to actual gross receipts. Any additional amount due maybe paid at the time, or any amount overpaid will be credited or refunded. If the business is no longer in operation at the time of renewal, gross receipt to time of closure must be reported and the City notified that you will not be renewing.

## What information do I need to provide to receive my Certificate?

To obtain a Business Tax Certificate, you will be asked to complete an application asking information about the business and requesting an estimate of gross receipts to be earned in Santa Rosa during the calendar year. If the business is located in Santa Rosa, you will also need a Zoning Clearance or Home Occupation Use Permit from the Department of Community Development. In addition, some businesses may need clearance from the Police Department.
