Construction Update

Pipeline construction for the City of Santa Rosa recycled water pilot project is progressing. In the next few days, you will find crews and construction activity in the following location(s):

- The intersection of Stony Point Road and Glenbrook Drive
- Glenbrook Drive between Brockhurst Drive and Westbrook Drive
- Stony Circle

Unless otherwise notified, all construction activities will occur 8:30 AM to 4:00 PM, Monday-Friday (weather permitting). Access to all properties (business entrances and private driveways) will be maintained.

For construction-related questions, please call Norman Amidon at (707) 543-3449.

To receive construction updates via e-mail, please visit www.SRCity.org/RecycledWater and click on Email Alerts.

If you have questions about recycled water or for more information on the Santa Rosa Urban Reuse Project and other responsible recycled water projects being conducted by your Utilities Department, visit www.SRCity.org/RecycledWater or call Jennifer Burke at (707) 543-3938.
