

Graywater Workshop

City of Santa Rosa Water-Use Efficiency

Date: March 4th & 5th, 2011

Time: 8:30 am – 5:00 pm

Place: Transit Operations Building

45 Stony Point Road

Free

Day One: Participants will gain an understanding of the do's and don'ts of graywater use and will have designed a system for their own yards.

Day Two: Participants will install their own systems and experienced professionals will be available for trouble shooting and advice.

Incentives: Attendees will receive a \$75 voucher for the necessary plumbing and irrigation parts or be eligible for a \$75 rebate upon installation of the graywater system.

Participants should come prepared with a bag lunch...*leave the rest to us!*

Contact the Water-Use Efficiency Hotline to sign-up at (707) 543-3985 or email us at wue@srcity.org.
